

## English

In spring 1 we will be reading The Tin Forest. We then will be using it to learn more about extend are sentences and using emotive language.

In spring 2 we will be looking at our first chapter book The Hodgeheg. This will help us learn how to present information to an audience and innovate our own stories.

## Maths

This term in maths we will be learning:

- Multiplication and division using grouping and sharing. Recall of the 2x, 5x and 10x tables.
- Odd and even numbers.
- Data handling of tally and bar charts and retrieving information from them.
- Fractions including  $\frac{1}{2}$   $\frac{1}{4}$  and  $\frac{1}{3}$ .
- Measurement – length and heights in centimetres and metres.

## Science

This term we are learning all about animals and habitats.

We will be investigating different habitats and exploring what things eat and how they live. We will also be looking at how to stay healthy and what the basic needs of living things are. They will also learn to describe the importance for humans of exercise, eating the right amounts of different types of food and hygiene.

## History

This term is very exciting as we travel back to 1666 to learn about the Great Fire of London. We will be learning about how it started and how it is remembered.

We will also be planning and carrying out our own small scale reconstruction using small paper houses. Then using this we will write a diary like Samuel Pepys.

# Creatures, Crowns and Crackles.

## Geography

Geography starts with a trip to The Living Rainforest to learn about what lives there and the food that grows.

Then we will be doing a study of the Amazon Rainforest and comparing it to forests in the United Kingdom.

We will also be learning to identify all the continents and oceans on a map and what map icons mean.

## Computing

For computing we will become researchers and explore the internet to find information about animals that live in the rainforest. We will then use powerpoint to present our information.

## Art/ DT

This term we will be exploring different mediums in art. Using a combination of oil pastels and watercolours we will create silhouette pictures of the Great Fire of London.

## PSHE

For Spring term we will be learning all about the British values and how they affect us. We will determine the difference between a rule and a law, while also beginning to understand the idea of mutual respect.

## RE

During spring 1 we will be learning about Islam and the dedication of faith The Five Pillars of Islam.

In spring 2 we will be learning about the Easter story and what it means to Christians.
