

History

In history this term we have been learning about the importance of the River Thames and how its role has changed over the last few hundred years. We were relived to discover that it is no longer used as a sewer in London!

Geography

This term we have been using atlases to find out about the rivers and seas in and around the United Kingdom. Specifically we have been looking at the River Thames and the different ways it has been used by humans and animals.

We have also been exploring the geographical differences between the UK and other countries in Europe.

Science

This term in science we have been learning about Rocks and Fossils. We have explored the 3 types of rocks, Igneous, Sedimentary and Metamorphic, as well as learning about different types of fossils. We are also exploring palaeontologists and what they do, specifically Mary Anning.

We went on an adventure to the Natural History Museum in London for a more in depth exploration of Rocks and Fossils.

ICT

In term 3 we will be learning about some of the different parts of the computer. We are going to make a PowerPoint about rocks and include features like titles and text, pictures and animations.

Year 3 - Term 3

The world beneath your feet!

Design and Technology

This term we have been exploring different types of food preparation. We have discussed how to prepare food hygienically while using the proper utensils. We've are finding out how to measure ingredients accurately while following a recipe.

Art

In term 3 we have been exploring different recipes that children eat at home. By exploring different foods and cultures, children have a greater understanding of the world. After cooking some of the recipes in Design and Technology, each child will combine the recipes into their own personal cook book.

Religious education

This term in RE we are looking at Jesus's Miracles. We have been learning about some specific miracles, including the feeding of 5000 and when Jesus healed the sick. Discussion is important as we talk about beliefs, real life miracles and whether something needs to be true to be inspirational.
