

### History

In term 5 we will be visiting Reading museum and Reading Abby. We will be learning about the history of Reading , specifically Huntly and Palmers biscuit factory. We will have the chance to see what life was like back then and compare it to the way that Reading is now.

### Geography

This term we will continue to look at our local area. We will be looking at the different structures that make up this community. We will also have a look at the different streams and canals that surround our neighbourhood. We will be making a model of our community using recycled materials.

### Science

This term in science we will be focusing on plants and what plants need to survive. We will be looking at different types of plants and what plants can be found here in the UK. We will also do some experiments planting flowers to see which is the best environment for plants to grow in.

Along with plants e will also be looking at materials such as glass, plastic, rock and wood.

### ICT

In term 5 we will be learning how to open programs to produce work and save it in a designated space. We will be learning how computers can help us in our everyday lives. We will also look at how computers have changed over time.

## Term 5

### Design and Technology

This term we will be looking at different materials and how we can assemble them to make a structure. As a connection to our literacy unit we will be making smoothies with different types of fruit.

### Art

In term 5 we will be using different painting techniques to paint flowers. We will have the opportunity to use different tools to create our works of art. This term we will also be exploring works of art and evaluating them and comparing them to our own work.

### Religious education

This term in RE we will be looking at the Jewish custom of Shabbat. We will learn about how Jewish families take part in this custom. We might even try our hand at making challah bread! We will make connections with this Jewish custom to those of other custom practiced in different religions.
